Honoring the NYPD Auxiliary Police Officers who have died in the line of duty since inception of the Auxiliary Police Program, those who have died during the past year, and all members of auxiliary and reserve officers who have made the ultimate sacrifice, not for pay or glory, but purely because of a love for their city and an unyielding desire to serve their communities.

In an appreciation, and respect to the spirit of the personal sacrifices made, this annual event is open to all auxiliary and reserve police departments located across the country and around the world.

We are extending an invitation for you to join us for this solemn occasion, and hope you are able to attend.

Please RSVP at: (212) 608-2422, send an email to: [APBA@nycmail.com](mailto:APBA@nycmail.com), and return the enclosed card.
